

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

FRANK L. WOLANIN,

Plaintiff,

vs.

ANGELA GIBAS, et al,

Defendants.

Case No. 15-12743

HON. GEORGE CARAM STEEH

**ORDER DENYING PLAINTIFF'S MOTION AS MOOT [DOC. 32]**

This matter is before the court on Plaintiff's "Motion for Supplement to Plaintiffs [sic] Objection to Magistrates [sic] Recommendation." (Doc. 32). On January 27, 2016, Magistrate Judge Majzoub entered a Report and Recommendation dismissing Plaintiff's claims in their entirety. (Doc. 23). Having not received any objections, this court accepted the Report and Recommendation and entered a Judgment against Plaintiff on March 2, 2016. (Docs. 24 and 25). Later Plaintiff notified the court that he had not received the Magistrate's Report and Recommendation. (Doc. 26). On June 7, 2016, this court reopened the case and required Defendants to submit a responsive pleading addressing Plaintiff's objections. (Doc. 29). In the instant motion, Plaintiff asks the court to "include as part of the record the attached MDOC prisoner grievance form that verifies the MDOC, the Defendants in this matter, failed to service the Plaintiff with the Magistrates [sic] Jan. 27, 2016 order requiring the Plaintiff to respond to the recommendation for dismissal or have the case dismissed for failure to respond." (Doc. 32, Pg ID 207). Plaintiff, however, already received the requested relief when the case

was reopened and a response to Plaintiff's objections was requested by the court.

Plaintiff's motion is, therefore, DENIED AS MOOT.

IT IS SO ORDERED.
